

Dear Admissions Committee:

I sincerely apply for College of Business and Economics, Australian National University. As an applicant with Your Academic Background, I have a strong interest in Information Economics and I'm eager to further my studies in the excellent academic environment of your university.

My research interests mainly focus on Information Economics, which aligns perfectly with the outstanding research conducted by your university in this field. I have thoroughly studied the relevant papers published in Review of Economic Studies

RAND Journal of Economics

Journal of Industrial Economics and these research achievements have had a profound impact on my academic development.

Through my academic experiences and practical projects, I have mastered professional skills such as Database Management

Basic Machine Learning

Information System Optimization, which will enable me to make positive contributions to the academic community of your university.

Enclosed with this letter are my resume, transcript and recommendation letters for your review. Thank you for considering my application. I am looking forward to the opportunity to become a member of your esteemed institution.

Best regards, Salute

Rongqi Zheng
