

University Application Letter

Dear Admissions Committee,

I am Yincan Peng. I am pleased to apply for the Master of Finance program at Department of Economics, Boston College. My academic interest aligns closely with your program's focus, and I have engaged deeply with field-related research.

I regularly follow ABS 4+ rated journals to stay updated with the latest advancements in ECON, such as the Annals of Statistics, Quarterly Journal of Economics and American Economic Review. This habit not only deepens my understanding of theoretical and empirical approaches in finance but also sharpens my ability to critically analyze complex economic phenomena. To achieve my dream, I have also practical skills in related areas: Python, SQL, Math and etc.

I am particularly drawn to Department of Economics, Boston College due to its strong academic environment and research-oriented approach.

Thank you for considering my application. I am eager to contribute to your academic community.
