Statement of Purpose

Date: 2025-10-06

Applicant: Wuzhaoyi (Jeffri) Wu

Email: 2023200104@ruc.edu.cn | Phone: 16688308888

Current University: Renmin University of China | Degree: BSc in Economics | 3.99 (2024-2025 Academic Year)

Target University: Harvard University

Research Area: Economics

Top Journals in this Area: American Economic Review, Econometrica, Quarterly Journal of Economics

Relevant Skills: Python, R, Stata, SQL, Econometrics, Machine Learning, Data Analysis, Communication, LaTeX

Background:

My academic background focuses on quantitative economics, econometrics, and policy analysis. I have led empirical projects using Python, R, and Stata, with strong interests in applied microeconomics and financial economics.

Motivation:

I am applying to Harvard University to pursue graduate studies focusing on Economics. I am particularly inspired by the department's strengths and its publication record in American Economic Review, Econometrica, Quarterly Journal of Economics. My skills in Python, R, Stata, SQL, Econometrics, Machine Learning, Data Analysis, Communication, LaTeX equip me to contribute meaningfully to your research community.

Sincerely,

Wuzhaoyi (Jeffri) Wu
